A Holy Moment

Sermon Series: I See The Land **Sermon:** Vision Sunday

Icebreaker: If you could instantly add one thing to your house, workplace, or community that would make life better for people, what would you add and why?

Quick Review: What stood out to you most from what you heard or read in this weekend's message?

Scripture: Numbers 14:8–9 — "If the LORD is pleased with us, he will bring us into this land… Only don't rebel against the LORD, and don't be afraid… the LORD is with us."

Questions

1. What are you seeing?

The twelve spies saw the same land, the same giants, and the same circumstances but they came back with very different conclusions.

Where in your life are you most tempted to focus on the obstacle instead of what God may be doing?

Follow up: **What usually happens to your thinking when fear gets involved?**

2. What has God said?

Joshua and Caleb did not pretend the giants weren't real. They simply refused to let the giants become greater than God in their thinking.

What is the difference between ignoring reality and looking at reality through faith?

Follow up: **What truth about God do you need to remember when something in front of you feels bigger than you?**

3. Who are we making room for?

The message said: **"Buildings are tools. People are the mission."**

Who might God be asking you to make room for in this season?

That could mean:

- someone who needs community
- someone who needs encouragement
- someone who needs to know Jesus
- a younger believer who needs discipleship

- a family who needs support

Follow up: **What would making room for that person actually require from you?**
Time? Generosity? Patience? Serving? Changing your schedule? Taking a step of faith?

WEEKLY THOUGHT

Faith does not deny the giants. Faith refuses to let the giants have the final word.
Every day this week, pray:
“God, help me see what You see, trust what You say, and make room for what You are doing.”
